

Tunes & toddler tantrums

Deep Sea Tea Party.

Down in the bottom of the deep blue sea
A wriggly octopus is having his tea
He licks his lips, his mouth opens wide
And a spoonful of food pops inside
With a wriggle wriggle wriggle and a yum yum yum
That delicious food slips down into his tum.

You'd better watch out there's a scary shark about
He's gonna steal your food if you don't look out
He'll sneak up from underneath
And snatch it with his teeth
And gobble it up quick he's a very crafty thief

Verse 2: Slippery fish/glub glub glub!

Verse 3: Pinching crab/Pinch pinch pinch!

Verse 4: Wobbly jellyfish/Wobble wobble wobble!
