The Tooth Brushing Lion.

Here's a scary lion his mouth is open wide
I'm a bit scared to put my toothbrush inside
I'll peek inside and see that he's got sharper teeth than me
I hope this hungry lion doesn't eat me for his tea.

Here's a scary lion his mouth is open wide
I'm a bit scared to put my toothbrush inside
I'll brush to the left and I'll brush to the right
Oh goodness me! I hope he doesn't bite.

Oh this scary lion has so many teeth
Quite a few upstairs and a few more underneath
Please scary lion don't put up a fight
I'm going to brush your teeth until they're sparkling white!

Now I'd like my lion to give a big roar
Then I'll get to brush just a little bit more
I'll brush brush brush upstairs and I'll brush downstairs too
Then we'll send this naughty lion back to the zoo.
Then we'll send this naughty lion back to the zoo!
